

Boston's ONLY all-day outdoor spinning fundraiser in the winter. ICycle takes place over 2 days in Boston's Seaport District mid-February ( 🥶 )

ICycle is a fun, unique and Covid-safe teambuilding opportunity for companies in Boston to engage with each other in person!

As an ICycle team, you will be equipped with all of the tools & resources needed to organize your group for success!

1. Each team needs a team captain to organize their group participation.
2. Teams will be given a team fundraising page on our easy-to-use Peer-to-Peer fundraising platform.
3. Team members can join the team page & set up their own custom pages to collect donations from family, friends & colleagues - all counting towards the team goal.
4. All money raised benefits HomeStart, Inc., a registered 501(c)3 nonprofit working to end and prevent homelessness (checks or Donor Advised Fund gifts can be added offline)!
5. Your team will participate in one 30-minute beginner-level outdoor spin class led by one of Boston's best certified spin instructors (teams can reserve up to 20 bikes per class - depending on availability!).

Wednesday, 2/14/24  
1pm - 6pm

OR

Thursday, 2/15/23  
7am - 6pm

*at 111 Harbor Way in Boston's Seaport District*
